

USA WATER SKI

HAVING **FUN** TODAY...
BUILDING **CHAMPIONS**
FOR TOMORROW!

**Join the fun with USA Water Ski
and receive these great benefits:**

The Water Skier Magazine

- Seven exciting issues of *The Water Skier* magazine. This one-of-a-kind publication will leave you feeling connected to the competitive and recreational world of water skiing by providing up-to-date information on nine sport divisions, in-depth interviews with your favorite athletes and resources and instructional articles to make you a champion.
- One Special Issue — The Regional Tournament Guide. This is your guide to having FUN! This comprehensive listing of tournaments in your region and across the nation will help you plan the upcoming season. The guide provides everything needed to stay involved in competition, including entry forms and in-depth information on each tournament.

Membership Card

- Your very own membership card gives you access to fun and exciting tournaments and events

USA Water Ski Decals

- Show your membership pride by decorating your equipment, vehicles, boats, etc.

Special Travel and Equipment Savings!

- To assist in your participation in competitions and travel, your membership will include a \$300 SAVINGS VALUE on a variety of water ski and wakeboard equipment, magazine subscriptions, travel needs and much more!

Instructional Assistance

- FREE Learn-to-Ski and Learn-to-Wakeboard Challenge programs
These programs guide and monitor your skill development to assist you in becoming a champion
- FREE directory access to the top water ski and wakeboard clubs, camps and schools

Protection

- \$10,000 of secondary personal injury insurance when participating in one of more than 1,000 USA Water Ski sanctioned events.
- Preferred pricing on Global Marine Boat Insurance, specifically tailored to tow sport enthusiasts
- Access to low-cost water ski and wakeboard club liability insurance

The most important benefit your membership can bring is the freedom to ski!

- USA Water Ski is dedicated to the protection of your waterways and providing regulatory assistance
